ALBARIÑO

## CASTIÑEIRA 2011

DO: Rías Baixas  
Sub region: Salnés Valley  
Variety: Albariño

### Wine-making:

Grapes at the perfect ripeness point are hand picked and carry in 25-kilo crates, from vineyards of the Salnés Valley.

After destemming a long gentle press takes place. The must ferments spontaneously in stainless steel tanks, and remains there for settling, once stabilized the wine is bottled.

### Tasting:

Straw yellow colour with green glints. Very expressive nose, with varietals notes, like ripe fruit and citric fruit. Elegant with a good structure, with fresh fruit nuances. Expressive, long and solid finish.
